The Vencomatic Group offers a challenging working environment in the global poultry sector. We aim to be the world's best in marketing and supporting sustainable and animal-friendly solutions for the design of modern poultry farms. Working at the Vencomatic Group means working together towards growth and continuous innovation for the benefit of our customers and relations. That is what we are good at. All over the world customers appreciate our innovations and high level of service.

The Vencomatic Group employs over 350 dedicated employees, serving thousands of customers worldwide. Headquarters are in the Netherlands with subsidiaries located in Spain, France, Brazil, China and Malaysia.

Our brands are:

- Agro Supply: climate solutions for optimal poultry performance
- Prinzen: careful and efficient egg handling
- Vencomatic: sustainable poultry housing and equipment
- Rondeel: sustainable production of consumption eggs
- Vencosteel: production facility for steel products

Supervisor

Vencomatic Group, full-time

For the position of Supervisor we are thinking of an enthusiastic, technical colleague with experience in mechanical and electrical engineering, who is able to work independently.

Assignment

- The preparation and installation of animal-friendly housing systems.
- Guidance and managing local subcontractors during installations.
- Keep in close contact with the client and report the progress.
- Training the customer and reporting the results to the organization.
- You will frequently make international journeys and stay abroad for several weeks.
- As a Supervisor you represent the Vencomatic Group and you will do anything to deliver a project to our customers' satisfaction.

Your profile

- (Bachelor) Education in Mechanical and/or Mechatronics Engineering.
- Affinity in the agri business is essential.
- You can describe yourself as a solid, self-reliant strong person.
- You have good communication skills and a hands on mentality.
- You are flexible and resistant to stress.
- Knowledge of the English language is a must the same for the ability to travel world wide (70%)

We offer

Vencomatic Group offers a challenging job in a large organisation. Innovation, sustainability and continuous improvement are paramount. A dynamic, flexible and ambitious organisation with motivated employees and an informal, pleasant working atmosphere.
